Opposed: None
 2. Approval of agenda.
Motion to approve: Sue Gurley
Second the motion: Christina Hale
All in favor: All agreed
Opposed: None
 3. Christina Hale and Camille Richardson gave an update on revising the “WF” grade policy. The current policy as well as the proposed revisions were presented to the committee. Revisions were shared with Financial Aid and were approved. This change will eliminate the need for administrative withdrawal forms and the “WF” grade. The final draft will go before President’s Council and then to the Board, after Curriculum Committee approval. Dr. Miller suggested sending a draft (with strikeouts) and a clean draft of the new policy to clearly show the revisions. To speed up the approval process, an email vote will be conducted this summer for a proposed Fall start date. Syllabus templates will need to be revised.
 4. AGE Nursing (A1030N) – Dr. Miller presented a new program request for Associate in General Education Nursing, along with the curriculum standard, program of study, and a proposed sequence of courses. The sequence will be the same as Pre-Nursing for us. With approvals, we could have a CCP Pathway that would help high school students to begin preparing for Nursing school. No new faculty/resources needed.
Motion to proceed: Camille Richardson
Second the motion: Sue Gurley
All in favor: All agreed
Opposed: None
 5. Credit for Prior Learning – The previous policy and proposed new policy were both presented to the committee, along with the “Credit for Prior Learning Equivalency Approval Form”.
Motion to move forward with proposed new policy:
Christina Hale
Second the motion: Sue Gurley
All in favor: All agreed
Opposed: None
- Meeting adjourned at 2:00 PM.
